

Aurora

Partner Certificate

This template shall be used for confirming reported costs in a specific reporting period for each project partner in a specific Interreg Aurora project.

The certificate can be signed manually or with an e-signature. Proof of authorization to sign on behalf of the organisation is mandatory to submit in the first payment application and whenever there are changes of the person signing. E-signatures must be accompanied by graphic or text elements that show the electronic process by which the signature was created.

The Partner Certificate shall be submitted for each partner in every payment application.
